Event Overview

THE HOME AND BUILDING EXPO – Complete Solutions Under One Roof for Your Home and Building, co-located with Architecture and Urban Planning Expo, was held on 10-12 October 2023, at the Oman Convention and Exhibition Centre, Muscat.

The Event was supported by **Ministry of Housing and Urban Planning, Ministry of Commerce, Industry and Investment Promotion, Oman Vision 2040 and Muscat Municipality**, Sultanate of Oman.

The Expos showcased the most comprehensive range of innovative products, services, solutions and the entire supply chain under one roof by local and international participants to trade visitors, potential buyers, policy makers, government officials, C-Level executives, business leaders, leading industry experts, top-tier public visitors and key decision makers from the region and beyond, making it a definitive power packed networking platform, where new projects and partnerships are initiated and visionary objectives were implemented.

The Event was a great knowledge sharing platform which promoted innovation in the Construction & infrastructure sector wherein exhibitors from around the world showcased their potential by providing detailed demonstrations of latest products and services within industry segmented pavilions, curated by seasoned professionals from the fraternity.

The Home and Building Expo was inaugurated by H.E. Sheikh Khalid bin Hilal bin Nasser Al-Maawali, Chairman of Shura Council, Sultanate of Oman
